

intelligent worming[®]

Worm egg count Control Sheet – Please send with the sample

INSTRUCTIONS

1. Please take a sample of **fresh** dung and place it in the pot provided.
2. Please write the horses name below, if not already printed, and on the pot.
3. Please write the date posted in the box below.
4. Please send THIS SHEET and the DUNG SAMPLE in the envelope provided.
5. If you would like us to provide a quote for the best worming programme, then please complete the horse information sheets and return by post in the SEPARATE ENVELOPE PROVIDED, or by email if you have an electronic copy. Please **DO NOT SEND WITH THE SAMPLES TO THE LABORATORY.**
